Tuesday 29th March 2016

As part of Harmony Day, the Students from the Wuldi class had a fun and enjoyable time playing Rugby Tag with their classmates and students from the Pinyali class.

These activities support students to understand and develop skills to work towards our four School Values of:-
Respect, Care, Enthusiasm & Fun.
Congratulations Team Gilbert on the arrival of Hamish Gilbert on Sunday 20th March.

Persona Dolls

Persona Dolls support learning at school and at home. Today in Kungari, Kheanna was reading with Amalie and their Persona Doll, Lydia.

Ipads

We use Ipads to support student learning and engagement at school. Here are the Pinyali students using Ipads to support learning in Numeracy.

Levelled Literacy Intervention (LLI)

Heather has been working with students in groups of 4 to improve their reading skills. The Students are engaged and improving their reading levels.

Honey, Kelesha, Romy and Jemma were proud to demonstrate their skills to Stan Haigis, Regional Education Director.

School Colours

Any combination of Black, Gold and Green. Wear them every day with pride.
Fraser Park celebrated Harmony Day on Friday 18th of March with a range of different activities. The theme for the day was "Everyone Belongs". The students from Kungari cooked a shared lunch for the school of fried rice. The students made flags to celebrate and represent the diversity of the Pinyali class. The students looked at where their classmates families originated from and talked about their different cultures.

We had Dave Cohen from the NRL visit to teach students Rugby Tag which is a modified version of Rugby League, a game that isn't played much in South Australia but is popular world wide. A great day was had by all!

On Saturday March 20th at 5:20 am we welcomed a healthy baby boy, Hamish Gilbert into the world. He weighed 6p 3oz and measured 50cm long. Mrs Gilbert is doing well and is enjoying being a mother. I am taking some leave to be with Hamish in his first 2 weeks and will be returning to work on Monday 4th of April.

Cheers
Russell

During Book Study lessons, classes complete lots of focused reading time. In Wa:nyi class we play reading games to help us quickly identify words from the book we are studying titled Big Rain Coming. We also do letter and word hunts using the book. Here are some photos of our reading games and word hunting.

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs offered include; supported playgroups, SACE programs, pre-walker groups, home visits and parenting programs. Our playgroups are all about: Playing, Talking, Singing, Learning and having fun. Learning together at SACE offers young mothers the opportunity to return to study. A crèche is provided. New families are always welcome. For more information ring: 85313090.

Cheers,
Brad
