School Colours Wear Them With Pride

Harmony Day Celebration

Harmony Day is an important celebration of diversity, of getting along and working together. The national colour for Harmony Day is **ORANGE**.

Students at 'Fraser' focussed on respect and belonging.

Phonemic

Awareness

Children from Preschool to Year Three are accessing the Heggerty Phonemic Awareness Curriculum. The focus is on Phonemic Awareness skills and activities to develop letter and sound recognition.

The instruction takes place as a whole class and is brief (10—15 minutes).

We will be sending home packs to further support learning at home.

Diary Dates:

Term Two resumes Monday 27th April 2020

Wellbeing Coordinator

It has been a worrying time for people with Covid-19 spreading through populations of the world and Australia.

There are preventative measures that we can all use to help stop the spread.

Practising good sneeze/cough hygiene is the best defence against viruses.

Useful strategies:-

- Wash your hands frequently with soap and water, before and after eating and after going to the toilet.
- Cover your cough and sneeze.
- Dispose of tissues and use soap and water.
- Stay more than 1.5 metres from people.

If we all work together to use hand washing and social distancing we can help to stop Covid-19 and stay safe.

Cheers, Russell

We will also have play boxes and provocation tables in the classrooms to further explore these texts and will send ideas home on how you can replicate these.

FRASER PARK PRESCHOOL-7

PULYERI NEWS

This last fortnight has shown what a great team we have at Fraser Park. The staff have been amazing as we adopted extra cleaning processes and worked specifically with the children to understand what needs to be done to keep everyone healthy.

It is important for our children to understand good hygiene. We need to be careful not to scare children when they hear about the coronavirus. We have been learning about covering our mouths when we cough or sneeze, washing our hands and that viruses can make us sick. We have also been learning about social distancing in order to stop us catching viruses from other people.

Other learning the children have had are opportunities to engage with this fortnight have included celebrating Harmony Day, trying out a scythe, book making, acting out

the Dreaming Story of Jolok, and learning about making damper from the **Dreaming Story The Dove's Grinding Stones**. As part of retelling this story the children were able to make their own Damper.

Cheers, Brad

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.
