School Colours Wear Them With Pride

## Learning at School is Important.

It has been fantastic to see so many students returning to school after their time learning at home, during the Covid Lockdown.

We are following all the recommended safety measures at school and feel that school is a safe place for learning.

At Fraser Park Preschool-7 School we use a range of different strategies to engage students with their learning including receiving, giving feedback and student voice.

One of the ways we do this is the use of exit tickets after lessons. These give students the chance to tell teachers what they have learned in the lesson so teachers know if they have set the right task and what else the student would like to learn about.

This allows the teacher to use this information in what are the next steps for learning to make it interesting and relevant to the students.

Cheers, Russell

# Accelerated Literacy Focus Teacher-Paula Fahey

This Term, the Wa:nyi Class are studying a scientific report text called 'The Common House Fly the Bin' written by Bronwyn Parkin. They have been working hard learning about the structure of scientific reports.

As a class they have been reading a variety of different scientific reports to look at the structure. They have then used these reports to practise their note taking skills to identify key words and used these words to expand the reports into their own words.

Great Work Wa:nyi!

## PULYERI NEWS

During the last fortnight the children in Pulyeri have been exploring our garden, learning and doing creative activities about Mini Beasts.

The children have also loved helping in the Pulyeri garden and enjoyed caring for our plants.

**The story we've been looking at is Owl Babies** by Martin Waddell. The children have been involved in various play activities to help them learn about nocturnal animals.

Cheers, Brad

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.
